

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Herbert W G Clanton v Dept of Transportation**
Docket No. **277440**
L.C. No. **06-001148-CD**

E. Thomas Fitzgerald, Judge, acting under MCR 7.217 and MCR 7.219(I), orders:

The above appeal is **DISMISSED** for want of prosecution, appellant having failed to file a conforming brief on appeal. The Clerk of this Court provided notice of the nature of the defects in appellant's initial and amended briefs on June 15 and July 2, 2007. However, the second amended brief filed on July 23, 2007, was defective in many of the same ways, including failure to provide a standard of review with supporting authority and failure to organize the brief as required by MCR 7.212(C). This Court provided notice of the likelihood of dismissal for failure to file a conforming amended brief on July 2, 2007.

Appellant may file a motion for reinstatement within 21 days of the certification of this order. MCR 7.217(D)(1). If appellant does so, he is encouraged to file a conforming brief with the motion.
